Samson Cree Nation HBMC: The **Maskwacis Cultural College (MCC)** had their annual graduation at the HBMC in Samson. The Samson Chief Vernon Saddleback and Samson Councilors were present. All four bands had either their Chief present or their Councilors present. The graduation theme this year was “I Have Successfully Earned It.”

It is good to see the more people graduate in our community. Some of those courses are Adult Education Program, Indigenous Social Work Diploma and we even had some graduates in Indigenous Masters in Social Work. If your interested in getting back to school please contact MCC for more information.

2 Samson Cree Nation Acimowin

We are especially proud of our Samson graduates. You will find them on the page 4. We encourage all members to seek education and employment to better our nation. To the parents with children in school please make sure they get their grade 12 so they can go on to college, university or trade school. If your not sure on your child's education career please talk to a school representative.

We hope the future is good for our graduates. It is a lot of hard work. Please encourage the younger people in your family to stay in school and to be a role model like your self.

### COMMUNITY HOME CONDITION & NEEDS ASSESSMENT SURVEY

The Health and Safety of our Nation members is and always has been a priority of Samson Cree Nation Administration and Programs/Services.

As part of our commitment to ensuring that the health and safety of our members is acknowledged and addressed, in the upcoming weeks teams made up of Samson Cree Nation employees will be going door-to-door to conduct multiple surveys in order to assess the condition of homes in the main Samson core. In the near future, the same survey will be conducted for the country homes including in Pigeon Lake, but for the time being, we will begin with the Samson Townsite. The Maskwacis RCMP has volunteered to assist staff on the visits. Please be advised that there will be follow-up visits.

The dates have yet to be determined, so please be advised that the surveyors will be arriving in the upcoming weeks, from Monday to Friday between 9:00 AM and 4:00 PM. Your cooperation is greatly appreciated.

### Rapid Housing Initiative 3 Update

Through the Canada Mortgage and Housing Corporation (CMHC) - Rapid Housing Initiatives (RHI) funding, Samson Cree Nation was successful in attaining funds for RHI 1 & 2; unfortunately, the Nation was not selected for RHI3.

The selection process was extremely competitive across Canada for the third round of funding. The third round required critical assessment of all applications including detailed environmental assessments; although, Samson submitted all required documents, the Nation was not selected for this last round of funding (RHI3). For RHI 3, CMHC focused on applicants who were unsuccessful in RHI 1 & RHI 2.

Fortunately, CMHC administers a number of initiatives under the National Housing Strategy and we will continue to apply for new homes for Nation members through these funding streams.

Maskwacis: The Integrated Family Services had a FASD awareness day walk from MHS in Ermineskin to the HBMC in Samson. The walk was also to recognize World Suicide Prevention and Awareness Day. Once they had reached the HBMC it was time to listen to the speakers like Stephanie Harpe, and to eat lunch.

The Maskwacis RCMP was present with an escort but they followed behind the walkers and drum group. Samson Councilor Ryan Lightning carried the "Alcohol and Pregnancy Do Not Mix," sign. Samson Community Wellness was also present. Overall there were about 30 people who walked. The weather was good for a Fall day.
